Reference:—Cat. No. 18—**DROP FORGED (HEAVY) ORNAMENTS**

These drop forged ornaments open up the widest possibility in ornamental work. The pieces approximate that of hand wrought work in a surprising degree at a cost far less than that of hand work.

These ornaments are carried in tremendous variety, some pieces measuring fractions of inches, and others measured in feet. There are some 2500 different numbers carried in stock, consisting of rosettes, leaves husks, flowers, branches and many other conventionalized designs.

Ask for this catalog and price list. Investigate the money-making and money-saving possibilities.

Reference:—Cat.No.35—**STAMPED STEEL (LIGHT) ORNAMENTS**

These ornaments are particularly adapted to interior work, whether it be grilles, lamps, tables, lighting equipment, etc.

In excess of 1000 different items consisting of rosettes, husks, leaves, flowers, light crestings, etc., are carried in stock.

Because of their nature, they are considerably less expensive than the hot forged ornaments, therefore lend themselves readily for quantity production items.

A line of Colonial ornaments will also be found in this catalog. If interested, request a copy.
